## IIDA STUDENT AWARDS

### PURPOSE

To recognize and reward outstanding interior design, and to encourage new ideas in the design of interior elements and spaces.

### ENTRY REQUIREMENTS

This program is open to any IIDA Wisconsin student member. Those who aren't yet members may become eligible by joining IIDA through the online application process found at [www.iida.org](http://www.iida.org) and selecting the "Join now online" link. Once your application is in process, return here to enter a project.

Students are eligible to enter only one project in each of the three categories. Projects that have received publicity or non-IIDA awards are eligible. Student design teams may apply but only the IIDA student members are eligible to receive scholarship money.

### JUDGING CRITERIA

Submissions will be judged for the appropriateness of the design solution and the successful integration of the elements of design. Winners are determined by a jury of design professionals. A first place award and an award of excellence will be given in each category, given the projects meet all criteria and the jury feels they are of appropriate design caliber for an award.

### EVALUATION CRITERIA

- Use, creation and integration of design elements
- Unique use of materials, colors, lighting and furnishings
- Project statement clarity and alignment to design solution as described

The jury reserves the right to not select a winner in a specific category from the entries submitted for this competition. In the event of a dispute, the IIDA Wisconsin Chapter President and non-participating IIDA Board Members reserve the option to disqualify an entry.

### AWARDS

Winners of the competition will be notified in advance and presented at IIDA Wisconsin's Celebrate in Design event on Thursday, April 23rd, 2015. Two awards will be given in each category: \$1,000.00 for First Place and \$600.00 for Award of Excellence. One Best of Competition award will also be given; this student will be awarded a \$1,600.00 scholarship. The winning projects will be published in the IIDA Wisconsin Chapter newsletter and on our website. By making a submission, each entrant certifies that permission has been obtained from the photographer(s) to publish the photographs and images submitted.
